

Need assistance starting a new knitting venture, restarting an old project, or fixing mistakes? A **\$15 fee** for **one 2 1/2 hour walk-in** class during a Knitter's Choice class will give new and current students with basic knitting knowledge a chance to get needed help from our experienced knitting instructor, **Lynne Sherwood**. You do *NOT* need to be currently registered in 'Knitter's Choice.'

Please note: Limit **one** 2-1/2 hour class registration per 4-month brochure period, to be used only during a **Knitter's Choice** class if class minimum is already met. Prior to registering for **Knitting: Extra Help**, check class dates, hours and availability by asking Lynne, checking online at weaversguildofrochester.org/courses, leaving a message at 585-377-2955 or emailing registrar@weaversguildofrochester.org.

This form is also available at the Center.
